BASE BID DESCRIPTION:

Project includes construction of a new Hippo pool for above and below water viewing, a new Hippo beach area and an under-roof public space with a glass for viewing into the pool. The project includes a new life support system to filter/disinfect/sanitize and recirculate the pool water. The exhibit will also include a Hippo theme children's play area long with informational displays featuring Hippo conservation and research.

CBDP concurs with the TBE participation for the above recommended Bid. Please refer to the approved Form DBD-014C attached to the bid recommendation.
